ANNUAL STROKE POLICY REVIEW EVIDENCE LOG

Document ID	SU-009-LOG-01	Version	1.0	Review Year	20
Effective Date		Review Date		Review Cycle	Annual Program Review

Purpose: Provide traceable evidence that Stroke Program policies, protocols, pathways and controlled clinical documents are reviewed against current evidence, institutional practice, quality findings and regulatory/accreditation requirements. This log supplements—not replaces—the KFCH formal document-control process.
