Comprehensive Stroke Program

STANDARDIZED STROKE DISCHARGE READINESS CHECKLIST

Document ID	SU-008-FORM-01	Version	1.0
Effective Date	_____	Review Date	_____

Patient Name / MRN	_____	Discharge Date	_____
Stroke Type	☐ AIS ☐ ICH ☐ SAH ☐ TIA ☐ Other	Discharge Destination	_____
NIHSS at Discharge	_____	mRS at Discharge	_____

A. Clinical Stability & Final Assessment

Discharge Readiness Requirement	Status	Comments / Evidence
Neurological and general clinical condition is stable for the planned discharge destination.	☐ Complete ☐ N/A ☐ Pending	
Final neurological assessment completed; NIHSS documented when applicable.	☐ Complete ☐ N/A ☐ Pending	
Discharge functional status documented (e.g., modified Rankin Scale).	☐ Complete ☐ N/A ☐ Pending	
Swallowing status and current diet/feeding plan documented.	☐ Complete ☐ N/A ☐ Pending	
Mobility, fall risk, skin/pressure-injury risk, continence and assistance needs reviewed.	☐ Complete ☐ N/A ☐ Pending	
Outstanding investigations/results and responsible follow-up clinician identified.	☐ Complete ☐ N/A ☐ Pending	

B. Secondary Prevention & Medication Safety

Discharge Readiness Requirement	Status	Comments / Evidence
Medication reconciliation completed and discharge medication list verified.	☐ Complete ☐ N/A ☐ Pending	
Antithrombotic/anticoagulation plan documented when indicated, including timing and relevant precautions.	☐ Complete ☐ N/A ☐ Pending	
Statin/lipid-management plan documented when indicated.	☐ Complete ☐ N/A ☐ Pending	
Blood-pressure management plan and targets documented.	☐ Complete ☐ N/A ☐ Pending	
Diabetes/glucose-management plan documented when applicable.	☐ Complete ☐ N/A ☐ Pending	
Smoking cessation and other modifiable vascular risk factors addressed when applicable.	☐ Complete ☐ N/A ☐ Pending	
Medication purpose, dose, schedule, major precautions and adherence explained to patient/caregiver.	☐ Complete ☐ N/A ☐ Pending	

C. Rehabilitation, Function & Support

Discharge Readiness Requirement	Status	Comments / Evidence
PT/OT/SLP and other rehabilitation needs assessed and recommendations documented.	☐ Complete ☐ N/A ☐ Pending	
Required rehabilitation referral/placement completed or arranged.	☐ Complete ☐ N/A ☐ Pending	
Assistive devices/equipment needs identified and arranged when applicable.	☐ Complete ☐ N/A ☐ Pending	
Home safety, caregiver capacity and required level of assistance assessed.	☐ Complete ☐ N/A ☐ Pending	
Social work/case-management needs addressed when applicable.	☐ Complete ☐ N/A ☐ Pending	

D. Patient & Caregiver Education

Discharge Readiness Requirement	Status	Comments / Evidence
Stroke diagnosis/type and individualized risk factors explained.	☐ Complete ☐ N/A ☐ Pending	
FAST/BE-FAST warning signs and instruction to seek emergency care immediately for recurrent stroke symptoms reviewed.	☐ Complete ☐ N/A ☐ Pending	
Post-stroke complications and symptoms requiring urgent medical review explained.	☐ Complete ☐ N/A ☐ Pending	
Medication education completed and written discharge instructions provided.	☐ Complete ☐ N/A ☐ Pending	
Diet, activity, mobility, driving/work restrictions and lifestyle advice reviewed as applicable.	☐ Complete ☐ N/A ☐ Pending	
Patient/caregiver understanding assessed using teach-back or equivalent method and documented.	☐ Complete ☐ N/A ☐ Pending	
Stroke education material / recovery guide provided.	☐ Complete ☐ N/A ☐ Pending	

E. Follow-Up & Continuity of Care

Discharge Readiness Requirement	Status	Comments / Evidence
Neurology/Stroke Clinic follow-up arranged with date/time or documented referral pathway.	☐ Complete ☐ N/A ☐ Pending	
Primary care and relevant specialty follow-up arranged as applicable.	☐ Complete ☐ N/A ☐ Pending	
Rehabilitation follow-up arranged when indicated.	☐ Complete ☐ N/A ☐ Pending	
Required laboratory/imaging follow-up and responsible service documented.	☐ Complete ☐ N/A ☐ Pending	
Contact information / pathway for questions or post-discharge concerns provided.	☐ Complete ☐ N/A ☐ Pending	
Discharge summary completed and communicated according to KFCH policy.	☐ Complete ☐ N/A ☐ Pending	

F. Final Discharge Decision

All essential discharge requirements completed	☐ Yes ☐ No
If pending item(s), safe mitigation / follow-up plan documented	☐ Yes ☐ N/A
Patient/caregiver ready for discharge	☐ Yes ☐ No — reason: _____
Final disposition	☐ Home ☐ Inpatient rehabilitation ☐ LTC/SNF ☐ Transfer ☐ Other: _____

Discharging Physician	_____	Date/Time	_____
Stroke Unit RN	_____	Date/Time	_____
Patient/Caregiver Education Verified By	_____	Date/Time	_____

Document linkage: Supporting form to the KFCH Stroke Unit Policy & Procedure Manual 2026, Stroke Nursing Care Pathway, Stroke Patient/Caregiver Education Policy and recovery guide, and applicable rehabilitation/secondary-prevention protocols. This checklist standardizes discharge readiness documentation and does not replace individualized clinical judgment.
